If at least two year’s regular premiums have not been paid

- In case, a due premium is not received before the expiry of the grace period, the policy shall lapse.
- If ADB cover is opted for, the benefit under this add-on benefit would also cease.
- The policyholder will have five years from the date of first unpaid due premium (FUP) to revive the lapsed policy.
- If a lapsed policy has not been revived within five years from the date of first unpaid due premium (revival period), the policy will be terminated after paying 30% of the Total Premiums Paid (excluding premiums for add-on ADB benefit) at end of the revival period.
